

Registration For Voters October 25-27

Eligible Voters, Not Already on Books, May Register Then

Registrars of the City of Sedalia have announced October 25, 26 and 27 will be special days for registration of persons eligible to vote at the November election and who are not otherwise properly registered. That means newcomers in the city, those who have become of age, those who have moved from one precinct to another, or any eligible voter, whose name is not already on the registration book.

Registration will be in the City Hall, on the first floor, from 8:00 o'clock in the morning until 8:00 o'clock in the evening. Those who are employed will have an opportunity to visit the City Hall when off work.

The registrars, all elected, are: Mrs. Eugene Miller, Mrs. John Turner, Mrs. R. T. Phelan and Mrs. Henry Heitman. The first three are Democrats, Mrs. Heitman, a Republican.

If for any reason, absence from the city, sickness, or other legitimate cause, a person cannot register on one of the designated days, they may register at the polls on election day. If however, they know they will not be here election day they may go to the office of the city clerk, prior to the registration days, and register there. This cannot be done between the 25, 26, and 27th, registration days and the election date.

Those Who May Vote

In order to vote a person must have lived in the state of Missouri one year, in the county sixty days, and in a precinct ten days.

At the last registration date, in July, there were 16,021 registered voters in the city of Sedalia. They are divided as follows: first ward, 3,399; second ward, 1,940; third ward, 5,209; fourth ward, 5,473.

Patriots Give Up Warsaw

By Alex H. Singleton

LONDON, Oct. 3.—(P)—Polish patriots gave up their 63 day battle to wrest battered and besieged Warsaw from the Germans last night, and an escaped Polish officer told Moscow newspapers that thousands of insurgents had crossed the Vistula river to Russian lines, defying surrender orders.

"Warsaw is as greatly destroyed as Stalingrad," the officer was quoted in Moscow as saying, "there is no longer any resistance in any part of Warsaw."

Polish army headquarters in London confirmed earlier Moscow and Berlin dispatches saying that Lt. Gen. Tadeusz (Bor) Komorowski, now exiled Polish commander in chief, had given up the fight.

The German communiqué said Warsaw had been "almost completely destroyed" before the Polish "insurrection collapsed."

Lieut. Shepard Dies in China

Mrs. H. Crawford Shepard, of Independence, Mo., who was formerly Miss Lucille Pettijohn, and taught at Mark Twain school here, has received word that her husband, Lieut. H. C. Shepard, navigator in the U. S. Air Corps, was killed in action over Kuming, China, on September 18.

Lieut. and Mrs. Shepard were married in March of this year, at which time she resigned her position here. She taught in Sedalia nearly two years. Mrs. Shepard is at present employed in Kansas City and has been making her home with Lieut. Shepard's mother, Mrs. Lynn Shepard, in Independence.

Lieut. Shepard's father was killed in an airplane accident in South America several years ago. Memorial services were held at 2:30 o'clock this afternoon at the Baptist church in Marshall for Lieut. Shepard.

Make Your Appointment For the Blood Bank

Registrations for the Red Cross Blood Bank, which starts Monday, October 9, are very light and citizens of Pettis county are asked to make their appointments now.

The need for blood plasma is more essential than ever because of the ever growing list of casualties. Call the Red Cross, or telephone number 130, and make your appointment today.

October 14 Last Day For Mailing Overseas

WASHINGTON, Oct. 2.—(P)—

Oct. 14 will be the last day for mailing Christmas packages to men and women overseas. The deadline had been announced as October 15, but that date falls on Sunday and the Postoffice Department said today that post-offices will not be open.

Ex-Sedalian Second High In Accounting

Bernard Donahue Wins Elijah Watt Sells Award

NEW YORK—A young St. Louis certified public accountant was announced by the American Institute of Accountants at its headquarters, on September 29, as the winner of one of two silver medals given annually under the terms of its Elijah Watt Sells awards. The silver medalist is Thomas Bernard Donahue of 3940 Lindell Boulevard.

(Editor's Note: Thomas Bernard Donahue is a son of Thomas Donahue and Mrs. Jo O'Brien Donahue, both now deceased. The young man was born in Sedalia, then moved to Boonville, with his parents, and after completing his high school there, went to St. Louis to further his education, and later was employed there. He has many relatives here.)

Thomas Bernard Donahue

The St. Louis man won the award by securing the second highest mark in examinations held last May by the boards of accountancy examiners of thirty-nine states and territories. His mark stood above those of 1,287 other candidates for certificates as certified public accountants.

Silver medalist Donahue has been invited to attend the fifty-seventh annual meeting of the

ALLIED HEADQUARTERS IN NEW GUINEA, Oct. 3.—(P)—

Nine more small Japanese freighters were sunk or damaged by Allied planes combing the bomb-swept pathway to the Philippines, headquarters announced today. Aerial warfare dominated the Pacific campaign, as it has before in temporary lull preceding new Allied moves.

Patrol planes sank two small freighters near Manado, northern Celebes, damaged four off Zamboanga, southern Philippine, and two more near the Japanese naval base on Ambona island. Bombers attacked airfields in the Moluccas and Celebes with 134 tons of explosives and hit the Ambona-Ceram area with 88 tons.

Ground resistance in the southern Palau, the northern end of the Allied surge toward the Philippines, was limited to "a few fanatical enemy troops," battling from caves with small arms, Adm. Chester W. Nimitz reported yesterday at Pearl Harbor. He announced formation of a military government on Angaur, southernmost of the invaded islands.

Nimitz announced that 55 Japanese have been killed for every one taken prisoner on Palau—10,151 killed on Peleliu and Angaur and 187 taken prisoner.

Marine pilots broke through intense antiaircraft fire to attack the Japanese airfield on Babelthap, largest in the Palau chain.

Tangle With Japs
Liberators of the 7th army air force struck at often-bombed Jima, in the volcano islands, and tangled with eight "aggressive" Japanese interceptors. One Liberator was shot down and several others were damaged.

The Japanese also showed increased but still ineffective aerial aggression in the southwest Pacific. Five planes rose to intercept an escorted heavy bomber raid on airfields clustered around Kendari, southern Celebes. Three were shot down and a fourth probably was destroyed. A lone Nipponese bomber, caught aloft nearby, also was downed.

Several enemy planes attempted to raid shipping off American held Morotai island. They were driven off and at least one was downed by ack-ack. A single Japanese plane twice bombed American positions at Sansapor, western Dutch New Guinea, but caused no damage.

Dewey's Talk Tonight Will be on 'Taxes'

By Jack Bell

ALBANY, N. Y., October 3.—(P)—Gov. Thomas E. Dewey chose the important subject of "taxes" for a broadcast tonight amid indications that he planned a hard-hitting attack on President Roosevelt and the New Deal in a climactic series of personal appearances before the November election.

The announcement that the Republican presidential nominee would talk at 7:45 p. m. (CWT) tonight over the Mutual network from the executive mansion was followed by reports that he had an elastic schedule of major appearances in key cities between now and November 7.

Bronze Award to Lt. R. E. Arbuckle

WITH THE FIFTH ARMY, Italy—Second Lieutenant Richard E. Arbuckle of Sedalia, Mo. recently was awarded the Bronze Star for meritorious service in combat with an artillery battalion of the 85th "Custer" Infantry Division on the Fifth Army front in Italy. His wife, Mrs. Emma F. Arbuckle, lives at 1621 East Sixth Street, Sedalia, and his mother, Mrs. Fannie Arbuckle, 1614 South Lamine avenue, Sedalia.

No Alarming Bond Reports

WASHINGTON, Oct. 3.—(P)—

Under Secretary Daniel W. Bell of the treasury said Monday that suits from a "blacklog" of persons at some banks probably resulted from a "blacklog" of persons who normally would have cashed their bonds last week but waited for simplified procedure put into effect today.

He said the treasury had received "no alarming reports."

Bell said there probably will be a slight increase in redemptions for a week or two and then they will level off to the usual rate.

Secretary Morgenthau, in announcing the new procedure, urged the people not to redeem their bonds except for real emergency.

AN 8TH AIR FORCE BOMBER

STATION, England.—Receiving his battle baptism in a recent Eighth Air Force bombing attack on Focke Wulf airplane plants in Bremen, Germany, Second Lieut. James F. Dickman, 25, of Sedalia, navigator on a B-17 Flying Fortress, returned to describe his initial mission as "something to remember."

The lieutenant spoke well of the fighter escort. "Our fighters were all around us," he said. "It sure gave me a comfortable feeling watching them flying. They looked as if they just dared a Nazi fighter plane to come near us."

Lt. Dickman's Fortress group, commanded by Colonel Frank P. Bostrom, of Bangor, Me., is one of the many that are continuing to strike at Nazi industrial plants even as Allied ground forces pierce the borders of Germany itself. His group is a member of the 3rd Bombardment Division which has been cited by the president for its now historic England-Africa shuttle bombing of Messerschmitt aircraft plants in Regensburg, Germany.

The navigator's wife Mrs. Velma L. Dickman, lives at 722 East Ninth street, and prior to entering the Army Air Forces in February, 1943, he was employed by the St. Louis Ordnance Plant, as an inspector.

State In Good Financial Condition

JEFFERSON CITY, Oct. 3.—(P)—

An unencumbered balance in the state general revenue fund of \$21,317,907.87—biggest surplus in the state's history—was reported today by the office of State Auditor Forrest Smith.

The third quarter report of the state's finances said total general revenue tax collection amounted to \$47,102,651 this year compared with \$44,679,698 to Sept. 30 of last year.

Posthumous Air Award

From 14th Air Force Headquarters in China, comes word that Maj. Gen. Clair L. Chennault, commanding, has posthumously awarded the Air Medal to 1st Lt. Clarence H. Parkhurst. Lt. Parkhurst was a pilot with the famous "Bombing Eagle" squadron, a medium bombardment outfit which is an integral part of General Chennault's Flying Tigers.

Lt. Parkhurst's honor was awarded for meritorious achievement in aerial flight, participating in more than 100 hours of combat operations in China, where he was often subjected to enemy fire from ground defenses and hostile aircraft. He has aided in causing heavy damage to enemy shipping, installations, troops, and equipment. As a combat crew member in medium bombardment aircraft, he has demonstrated courage and skill in keeping with the Army Air Forces' fine traditions.

Lt. Parkhurst was the son of Dr. and Mrs. C. L. Parkhurst, of Box No. 7, Houstonia, Mo.

Lieut. Parkhurst was reported missing in action, according to word received by his parents last February.

He'll Kiss Babies, But They Must Be 18 Years or Over

SPOKANE, Wash., Oct. 3.—(P)—Observing that politicians "take themselves too seriously," Washington's Lt. Gov. Vic Meyers said today he was "willing to kiss babies, but I've raised the age limit to 18 years and up."

Republican presidential nominee Thomas E. Dewey and Meyers, said the self-styled "second fiddle at Olympia," a Democrat, have two things in common—mustaches and an interest in old-age pensions.

City Council Defers Action On Tax Issue

Motion Carried By Council to Buy Land for Dump

The ordinance, providing for a graduated merchants tax license, to have been read for the third time, and voted on by the City Council, at its regular meeting Monday night, was deferred for future action, by the unanimous vote of the seven Council members present. This action was taken after Mayor A. H. Wilks called attention to the fact that Frank Middleton, first ward alderman, who had been very much interested in the ordinance, is in a hospital in Kansas City, and suggested the matter be deferred. The motion was made by John Taylor.

Mr. Middleton was slugged and robbed by an unknown assailant, who caused multiple fractures of both jaws.

T. H. Yount, first ward alderman, reported his committee, which had been given permission to purchase a used army truck, if one could be found, had found a good used truck at Fort Leonard Wood, which will cost \$744.67.

Approve Park Board Action
Leo Eickhoff, fourth ward, reported for the building committee, on a meeting with the park board, relative to the request of Fred Ferguson, representing the General Davis, USO board, that the convention hall, Liberty park, be given to the Negro service men for one dance a week. The request had been refused by the park board. Mr. Eickhoff said his committee learned the Negro service men had already been granted the use of the hall on two occasions, and there were not enough of the men to warrant the use of the hall for weekly dances. His committee, he said, approved the action of the park board.

Would Purchase Land
Richard Keenan, second ward, chairman of the sanitary committee, moved the legal department of the city be given authority to enter into negotiations with J. O. Jenkins, for the purchase of property approximately three miles south of Sedalia, for use as a city dump. This motion was seconded by John Taylor. The price, Mr. Keenan said, is \$2,000, and the land comprises 25 acres, of which there is a house and some other improvements.

Americans Battle Fiercely, Cut Wedge Into Nazi Defenses; Heavy Bombing Of Germany

Aim for Industries And Airfields, Weather Cloudy, Use Mechanical Eye

LONDON, Oct. 3.—(P)—Hundreds of British heavy bombers breached the seawall guarding the Dutch island of Walcheren with six-ton bombs today and sent the North Sea pouring over German installations denying the Allies use of the great Belgian port of Antwerp, 35 miles farther down the Schelde estuary.

The British struck after 1,700 American planes attacked war industries and airfields at the south German cities of Nurnberg, Gengenau and Giebelstadt.

The fire and water blow at the biggest of the Dutch islands in the Schelde came less than a day after Gen. Dwight D. Eisenhower warned civilians to evacuate before heavy bombings. Walcheren is the westernmost of the islands barring the seaward approach to Antwerp and is known to mount heavy guns capable of raking the approaches to the undamaged Belgian port, which the swift Allied advance captured intact. Some of the guns may be able to shoot all the 3 miles to Antwerp.

The "earthquake" bombs of 12,000 pounds tore gaps in the dike near the village of West Capelle, on the southwestern tip of Walcheren. Crews of attacking Lancasters reported a great sheet of water was spreading across the lowlands when the bombers turned for home.

Hammered Reich
A thousand of the American planes striking in south Germany were Flying Fortresses and Liberators and it was the seventh day in nine that 1,000 or more of the heavy bombers had hammered the Reich.

Objectives included: The Nurnberg tank works. The Daimler-Benz truck factory at Gengenau, 40 miles south of Karlsruhe.

A big German air force base at Giebelstadt, 53 miles west of Nurnberg.

Heavy clouds again covered that section of Germany and most bombing was done by means of the mechanical eye.

It was the seventh time in nine days that 1,000 or more Flying Fortresses and Liberators have bombed the Reich. Each time the great fleet split into three formations to attack different targets.

Front reports indicated French-based fighter bombers were having another big day against enemy communications, which were messed up considerably during the night by the RAF's train-busting Mosquitos.

No Bombers Lost
Besides shooting up 51 freight trains, nine barges and five motor transports the Mosquitos also ran a Nazi trawler ashore off the Dutch coast and bombed a small factory in western Germany. None of the fleet bombers was lost.

Husband Reports His Wife Missing
Mrs. Bertha Hays, 36, five feet tall, weighing about 125 pounds, wife of W. H. Hays, Clifton City, has been reported to the Sedalia police department as missing since September 16. Mr. Hays told the police she had left home after 11 o'clock in the morning on the 16th and had not been heard from since.

A check of relatives' homes has been made and she has not been at any of these places.

Mrs. Hays, when last seen, was wearing a black dress, black shoes, and she wears glasses. She has black eyes and brown hair.

Dennie Galehouse Is Browns Starting Pitcher
ST. LOUIS, Oct. 3.—(P)—Manager Luke Sewell of the St. Louis Browns sprang a surprise today when he announced that Dennie Galehouse, 32-year-old right hander, would be his starting pitcher in the opening game of the World Series against the St. Louis Cardinals tomorrow.

TODAY ON THE War Fronts

GROENSTRAAT, Holland, Oct. 3.—(P)—German troops holding the Siegfried line have been told by their commanders that any man who retreats will be shot and if an entire company should fall back, one man in every 10 will be shot. American officers said today. "They're doing everything they can to hang onto the defenses and these threats are necessary to keep many troops in line," said Lt. Col. Harold Hassenfeldt of Oconto, Wis.

CHUNGKING, Oct. 3.—(P)—Prime Minister Churchill's use of the term "lavish" to describe American help for China drew an editorial protest in the Chinese press today.

Ta Kung Pao, China's most influential newspaper, said the world should realize that Britain and America were not entirely free from responsibility, at least morally, for China's military weakness and that American lend-lease help to China amounted only to one or two per cent of the total given the Allies.

MOSCOW, Oct. 3.—(P)—The Red army gathered strength like a coiling spring today all the way from the Balkans to the Baltic for new onslaughts which the Russians expect will force Hungary to capitulate and bring about the capture of Riga, the Latvian capital and seaport.

Premier Stalin's supreme command for the first time since the summer offensive opened June 23 said all the eastern front was in a temporary lull yesterday. Soviet press dispatches, however, told of the Germans being squeezed "into the last square kilometers" of the Riga sector. Buildings in the city of 393,000 were declared mined. The dispatches said the harbor was crowded with Russians and Latvians being deported to Germany for forced labor.

LONDON, Oct. 3.—(P)—The Moscow radio today broadcast a statement by the "German National Committee," composed of captured German officers, declaring that Nazi leaders already were escaping to South America by submarine.

The broadcast appealed to German submarine crews to take the fugitives to British or French ports.

Kiwanians to District Meet
The twenty-fifth district anniversary meeting of the Kiwanis clubs of Missouri, Kansas and Arkansas will be held in the music room of the municipal auditorium in Kansas City Thursday and Friday of this week.

Rev. H. U. Campbell will attend as the lieutenant governor of division 8 and delegates from the Sedalia club will be J. H. Brunkhorst, president; Clyde Heynen, vice president; and Elmer E. Sterling, secretary.

A board of directors meeting will be held on Wednesday afternoon and at 11 o'clock Thursday morning a memorial service for the thirty-five Kiwanians who have died in the past year will be in charge of Rev. H. U. Campbell.

Officers will be elected at the two day meeting for the coming year and lieutenant governors for each of the fifteen districts. Rev. A. E. Abele, former Sedalia minister, is the nominee from the Boonville club for lieutenant governor of District 8.

The outstanding speakers at the meeting will be Dr. Milton S. Eisenhower of Manhattan, Kas., president of the Kansas State College of Agriculture, brother of General Dwight D. Eisenhower; Robert Bowman, national president of the Future Farmers of America; Strickland Gilliland, American humorist; Major Albert J. Stowe, War Department, Washington, D. C. and Robert E. Lee Hill, Columbia, past president of Rotary International.

Car Damaged in Collision
Considerable damage resulted to the 1941 Plymouth coupe of W. M. Chase, when it was struck by a truck owned by D. M. Overstreet, in the 100 block on West Fifth street. Mr. Overstreet agreed to pay the damages, according to Mr. Chase.

Marriage License Issued
Robert E. Wright, Harrisburg, Pa., and Betty J. Grazer, Jefferson City.

Victor C. Naw, Farmersville, O., and Virginia Lee Hughes, Youngstown, Ohio.

Majority of Workers Back
KANSAS CITY, Oct. 3.—(P)—Ninety per cent of workers at the navy's Pratt and Whitney aircraft engine plant were on the job today, Edward A. Ruessing, disputes director of the Regional War Labor Board, reported.

On Staff of Campus Paper

WARRENSBURG, Mo., Oct. 3—

"Like father, like (daughter)", three newspapermen's daughter, all freshmen at the state teachers college here, have volunteered to edit the official campus publication, the Student-Rhetor, which was left without an editorial staff this week.

Billie Stark, daughter of R. A. Stark, owner of the Green Ridge, Local News, is serving as editor. She is being assisted by Elaine Scruton, daughter of Kelly Scruton, sports editor of the Sedalia Capital-Democrat, who will have charge of features. The other volunteer, Joan Dyer, daughter of Ralph Dyer, editor of the Windsor Review, will assist in layouts and makeup. Completing the staff are Emma Sanders, Mayview, charged with circulation, Richard Daves, Knob Noster, photographic editor, and Apprentice Seaman Paul Burris, Newton, Kas., official V-12 photographer.

The students edit the publication, and do all photography between classes and campus duties, as an extra curricular activity. After distributing the paper on the campus and to regular subscribers, they mail it to about 1,500 alumni in the armed forces throughout the world. Hundreds of letters of appreciation for the students' work have come from all over the globe to Miss Elizabeth Daniel, alumni secretary. Instead of attempting to answer each letter, Miss Daniel writes one long column monthly in the Student-Rhetor to all service men and women.

Obituary

Mrs. Carrie Snow Hanson

Mrs. Carrie Snow Hanson passed away at 9:30 o'clock Sunday night at her home, 1620 South Vermont avenue and the body was taken to the Parker home at LaMonte. She had been a resident here for about three years coming to Sedalia from Polo, Ill., where her late husband, Albert Hanson passed away.

She is survived by four brothers H. F. Snow, Kansas City, Ed. Snow, Detroit, Mich., Joseph and Benjamin Snow, in the state of Texas.

Funeral services will be held at the Parker funeral home in LaMonte Wednesday afternoon at 2 o'clock, with the Rev. Wesley Hampton, pastor of the Methodist church, to officiate. Burial will be in Dresden.

Nephews will serve as pallbearers.

M. L. Gatschet Service

Funeral services for Martin Lewis Gatschet, 72 years old, who died early Sunday morning at his home, 228 South Vermont avenue, were held at 2 o'clock this afternoon at the Gillespie funeral home with Rev. H. U. Campbell, pastor of the Fifth Street Methodist church officiating.

Mrs. George Lovercamp and Mrs. Ervin Robinson sang: "Beautiful Garden of Prayer," "Abide With Me" and "Good Night Here, Good Morning Up There." Mrs. Mae Moser was the accompanist.

Pallbearers were Ralph Boies, W. B. Hert, H. H. Boatman, William Johnston, J. Ross Kindred and Hugh Courtney.

Burial was in Crown Hill cemetery.

Miss Ella E. Thornbro

Miss Ella E. Thornbro, 78 years old, of Knob Noster, died at 5 o'clock Monday afternoon at Mrs. Nace's Nursing Home in Warrensburg where she had been the past month.

Miss Thornbro was born in Forsyth county, N. C., on January 7, 1866 and made her home with the Elliott family in Knob Noster since fifteen years of age, with the exception of a few years in Kansas City.

She joined the Knob Noster Methodist church on September 4, 1887.

Miss Thornbro has no living relatives.

Funeral services will be Wednesday afternoon at 2:30 o'clock at the Sauls funeral home in Knob Noster with Rev. J. A. Morgan, pastor of the Knob Noster Methodist church to officiate.

Mrs. C. W. Peithman and Mrs. C. F. Covey will sing "Abide With Me" and "Beautiful Isle."

Miss Mary Hogan will be the accompanist.

Burial will be in the Knob Noster cemetery.

Ex-Sedalian Second High in Accounting

Continued from page one

American Institute, which is the national professional society of certified public accountants, to be held at the Jefferson hotel in St. Louis October 16 to 19 next, and there to receive his medal in person.

Mr. Donahue is the holder of the degree of bachelor of science in commerce (Magna Cum Laude) conferred upon him by St. Louis university. He is a member of the staff of the accounting firm of Gus V. Keller and company, 511 Title Guaranty building, St. Louis. A native of Sedalia, Mr. Donahue is twenty-seven years old. He is an alumnus of SS. Peter and Paul's high school in Booneville, graduating with the class of 1936.

Awards Established in 1934

The awards under which Mr. Donahue receives his silver medal were established by the American Institute of Accountants in 1924 in honor of the late Elijah Watt Sells, pioneer in the development of accountancy in America, leader in the establishment of high educational and cultural standards for his profession, and member of the accounting firm of Haskins and Sells. Under the awards, gold and silver medals are given to candidates who receive first and second highest marks in annual May and November professional tests for certified public accountants in states and territories whose boards of public accountancy examiners have adopted the standard American Institute examinations.

Mr. Donahue sat for his examination last May before the State Board of Accountancy of Missouri, of which Erik C. Boye of St. Louis is president, and John J. Lang and Robert S. Warner, both of St. Louis, are respectively vice-president and secretary.

Grave Service On Wednesday

The body of Mrs. Mollie Mattie Holland, which since taken headless from the Lake of the Ozarks last April, has been in the laboratory at the University of Missouri, Columbia, will be buried in the I. O. O. F. cemetery, Ottumwa, at 11 o'clock Wednesday morning. It had previously been planned to have the services this morning, but it was impossible to have the grave dug by that time.

The body will be buried by the side of that of her mother, Mrs. Pearl Fairfax, whose headless body was found with that of her daughter's and which was buried May 25.

The body of the mother had been released to her son, Jess Fairfax, while that of the daughter was not. Edgar Holland, husband of Mrs. Holland, who is charged with her murder, denied it was the body of his wife.

Recently a request was made that the body be removed from the laboratory. Jess Fairfax was contacted and arranged for the burial of Mrs. Holland, who is his step-sister.

The body was brought from Columbia to Sedalia to the Ewing funeral home and will be taken from there to Ottumwa.

Fire Damage at Burnett Packing Co.

Fire of undetermined origin caused approximately \$5,000 damage to the Burnett Packing Co., building and contents early Sunday morning. The fire was confined to one room, while smoke damaged the building and contents in other parts of the plant.

An estimated 2,500 pounds of bacon were destroyed in the fire, which was discovered about two o'clock in the morning.

The fire companies were called, but the plant being outside the city limits, did not go to the plant.

GERMANY WILL TRY IT AGAIN

By Sigrid Schultz Copyright, 1944, by Sigrid Schultz
Published by NEA Service, Inc.

As an American newspaper
correspondent in Berlin from
1919 to 1941, Sigrid Schultz saw
at first hand the events that led
from World War I to World War
II. And she saw the behind-the-
scenes preparation for the com-
ing "war-in-peace" that she
warns may culminate in World
War III. This is the story of
Germany's plans to win the
peace, plans that even now are
being put into effect.

III
LUDENDORFF and his friends
met first problems first. How
could they stir up the people to
fight again after a lost war? The
answer was astonishingly simple.
Make them believe that the war
was not lost, that they had just
missed victory by their refusal to
fight on to the end.

This deception, which almost
out-hitlers Hitler, was made pos-
sible by the Allied failure to carry
the war onto German soil. The
German masses, who hated having
lost anyway, were glad to believe,
and the deception made it easier
for the secret staff to revive their
martial spirit.

That was luck. But most of the
successes of the German secret
general staff were the immutable
results of calculation. Thus, the
first deliberate victory of the
military group came from a clever
sort of blind-man's-buff, by which
a member of the fledgling Republi-
can government, Dr. Matthias
Erzberger, was compelled to sign
the Armistice in the name of the
German government instead of a
military leader. This maneuver
accomplished, the militarists
promptly started spreading the
word that "the Republic had
stabbed the German army in the
back."

To be able to keep the reins of
government in hand behind the
back of the Republic, the reaction-
ary forces decided they must keep
useful men in useful places. While
the masses were still rioting in

ON the same trains that carried
the millions of war-weary
German troops back from the
fronts in 1918, men who wildly
cheered the slogan "Nie wieder
Krieg" (no more war), were other
soldiers who felt quite differently.
Officers who refused to accept the
feast went among these others,
picking the toughest and the most
aggressive. In this way they as-
sembled the first units of what
soon came to be called the Free
Corps, whose actual strength was
never known.

Secret societies of various de-
scriptions suddenly sprang up all
over the country to "carry on the
sacred military traditions of Ger-
many." Some of the societies were
not secret, but centered apparently
around some cultural or civic enter-
prise with no semblance of mili-
tary connection. Respectable
burghers in small towns and cities
formed themselves into patrol
services. Their laudable purpose
was said to be protection of their
homes and families from the crim-
inals who always spring up from
nowhere in the wake of wars and
revolutions. Perfectly innocent,
one would say. But such groups
were actually utilized for the for-
mation of military cells.

THE purely military value of the
Free Corps was negligible. The
secret general staff knew well
enough they were not crack units.
On the half-a-loaf theory, how-
ever, they felt the rough and tumble
military discipline served the
men better than no training at all.
Second, merely to quarter one
of their groups in a region was
to create a center of unrest. The
political leaders within the secret
staff established and dispersed
these centers at will.

Third, the Free Corps furnished,
by their very nature, a vast pool
for the secret staff to draw on for
any new military venture.

And fourth, Free Corps men
were invaluable from the very
beginning in spiriting away the
active and reserve German arma-
ments.

The secret staff saw to it that
the Free Corps remained in a fer-
ment as a means of pressure
against the Republic.

You'll be looking for
something "different"
to cook on cool days.
How about a DE-li-
cious chowder? Here's
a recipe for lima bean
chowder that's a dandy—and SO-ooo
nutritious! Can be used as main dish
in any meal. Particularly good with
red ripe tomatoes. ALL men like
limas, and this is a real he-man's
dish!

Lima Bean Chowder

2 slices bacon cut in 1 inches
1/4 cup onion
Brown in bottom of kettle, then add
2 cups green or cooked dried lima
beans
2 cups water
1 cup peeled and diced potatoes
1 teaspoon salt

Cook 20 minutes. While cooking, soak
6 crackers in 1 cup DARICRAFT

Add to above and simmer slowly 5
min. Serve hot sprinkled with chop-
ped parsley or dash of paprika.

The REAL secret of this recipe is the
rich unusual flavor given it by DARI-
CRAFT. You know DARICRAFT is a
superior evaporated milk, made from
pure fresh jersey milk with only 50%
of the water removed and to which
has been added ONLY Vitamin D.
DARICRAFT carries the AMA seal of
approval. Get some today, won't you,
and give it a try? You'll NEVER be
without DARICRAFT if you once try it.

Mrs. Arthur Hoffman, in charge
of the art and drama depart-
ment of Sorosis introduced Miss
Jessie Blair, who presented a pro-
gram of patriotic poetry in a
most delightful manner at the
afternoon meeting of Sorosis
Monday.

Miss Blair gave a brief history
of the various poems, the era in
which they were written and the
events which inspired the poets
to write these great compositions,
which have lived down through
the generations. Throughout the
entire program she quoted bits
of verse from old and best-loved
poems in which the spirit of
patriotism was portrayed.

The poems selected began with
the discovery of America, up to
the present time, and Miss Blair
was ably assisted by members of
Sorosis who read many of the
favorite gems of poetry.

Mrs. H. E. Lindstrom read
"Columbus" by Joaquin Miller;
Mrs. W. E. Hurlbut, "The Landing
of the Pilgrims," by Felicia He-
mans; Miss Helen Bowers, "Paul
Revere's Ride," by Henry Wad-
sworth Longfellow, and her own
composition, "Fourth of July."
"O, Captain, My Captain" by
Walt Whitman was read by Miss
Nettie Lamm, Longfellow's "Ship
of State," by Mrs. Hugh Court-
ney, "The Song of Marion's Men,"
by William Cullen Bryant read
by Mrs. E. F. Yancey, the stirring
"Nightmare at Noon" by Stephen
Vincent Benet read by Mrs. Lee
Montgomery and "The Great
Land," by his brother, William
Rose Benet, with Mrs. Gilbert V.
Jones reading.

Mrs. Austin Hurley, president,
presided over the meeting.
The next meeting will be under
the history and literature depart-
ment with Miss Ruth Fitzgerald,
English teacher at Central Mis-
souri State Teachers college as
speaker. She will give "The His-
torical Background of Mother
Goose."

This meeting will be a closed
meeting at which time a tea will
be given honoring the new mem-
bers of Sorosis, Miss Frances
Trader, Mrs. Cline Cain, Mrs. C.
P. Keck, Mrs. Brooke Wade and
Mrs. H. J. Kroenke.

Mr. and Mrs. John Holloway of
Windsor celebrated their fiftieth
wedding anniversary on Sunday,
Sept. 24, at their home, 605 South
Tebow street, with a dinner attend-
ed by their seven children and other
members of the family.

Mr. Holloway and Miss Nellie
Lane were married in Benton
county 50 years ago and moved to
Windsor 33 years ago.

Those present for the family
dinner Sunday were: Mrs. Elsie
Wyan, Mrs. W. R. Mowrey and
daughter, Sharon Louise, Fred
Holloway, Miss Mildred and Miss
Grace Holloway, all of Los An-
geles, Calif.; Emmet Holloway of
San Francisco, Calif.; Mr. and Mrs.
T. S. Johnson and daughter, San-
dra of Sedalia; Mr. and Mrs. Hen-

There were four generations
present, Mr. and Mrs. Holloway,
their daughter, Mrs. Elsie Wyan,
her daughter, Mrs. W. H. Mowrey
and her daughter, Sharon Louise,
the last three from Los Angeles.

The Women's Society of Chris-
tian Service of the First Methodist
church will meet Thursday af-
ternoon at 1:30 o'clock in the lec-
ture room. Miss Mary Tarrant
of St. Louis will be the guest
speaker. The Koenig circle will
be in charge of the social hour.
The executive committee will

meet at 11:30 a. m. that day.

The marriage of Miss Ila Rea
Kroenke, daughter of Mr. and Mrs.
Earl S. Kroenke and John
Vernon Miller, seaman second
class, son of Mr. and Mrs. Guy
Miller of Raytown, was solemnized
Thursday evening, Aug. 24. The
double ring ceremony was read
by the Rev. Albert V. Hart of the
Raytown Christian church and the
ceremony was in the Raytown
church. Immediate families at-
tended the informal wedding.

The bride, who was given in
marriage by her father, wore a
suit of winter white wool and
carried rosebuds on her prayer
book.

Miss Shirley Ousley, her only at-
tendant, wore a dress of dusty rose
crepe and a corsage of American
Beauty rosebuds.

The groom was attended by Pvt.
C. W. Hunter, U. S. army.

Following the ceremony a recep-
tion was held at the home of the
bride's parents.

Mr. Miller has returned to duty
at Camp Wallace near Galveston,
Texas. Mrs. Miller will remain
with her parents at Raytown.

At the meeting of American Le-
gion Auxiliary Unit to Post 16 at
the Parish hall Monday night, the
amendment of the unit constitu-
tion and by-laws to agree with the
state recommended outline, in re-
gard to the organization's execu-
tive committee, was brought be-
fore the house for action at the
next meeting. It was decided to
donate \$15 to "Records for Our
Fighting Men, Inc." for a set of
new records. This is a project of
the American Legion for the armed
forces.

Standing committees for the
year were announced as follows:
Child welfare, Mrs. E. M. Franke;
Americanism and National De-
fense, Mrs. Cecil Glenn; constitu-
tion and by-laws, Mrs. W. B.
Rissler; past presidents' parley,
Mrs. Alice White; war activities
and bonds, Mrs. Elmer Winfrey;
community service, Mrs. J. H.
Brooks; poppy sales and radio,
Mrs. Herman Myers; publicity,
Mrs. Homer Hall; finance, Mrs. S.
F. Farley; membership, Mrs. R. R.
Conn.

It was voted to continue meet-
ing at the same time and place for
another year, the first Monday of
each month at the Parish hall.

Mrs. Charles Jerries, formerly of
Clarksville, has transferred her
membership to this unit. Mrs.
Mattie Walker, 709 Engineer ave-
nue, was reported ill but pro-
gressing nicely.

The membership drive for 1945,
now in progress, was the subject
of a speech by Mrs. Ira Espe, dis-
trict president.

Visitors were: Mrs. J. A. Clason
of Glen P. Dickinson unit of Clin-
ton, wife of Dr. Clason, who was
department commander for 1941,
and Mrs. Truman Rose of Higgins-
ville, former district president.

The program for November was
announced as "Membership," to
be in charge of Mrs. R. R. Conn.

Hostesses for the evening were
Mrs. Frank B. Piper, Mrs. Linden
Lee Jones, Mrs. Richard Woods
and Mrs. R. R. Conn.

Lt. Myers Home From Overseas

Lt. Herman A. Myers, for seven months overseas as a navigator with a bomber group and who completed fifty missions, arrived home early Sunday morning for a visit with his wife, of 1403 South Missouri avenue, and with his parents, Mr. and Mrs. Herman Myers, of 213 West Fifth street.

On the many missions in which he participated during the Italian campaign he came through unscathed although experiencing a few very narrow escapes, one in which the bomber he was on came in on two motors.

Lt. Myers will be home until the latter part of October he being on leave to report back for duty at Miami Beach, Fla., on October 26th.

DAILY WASHINGTON

Merry-go-Round

by Drew Pearson

WASHINGTON, Oct. 3—Here is the inside story behind the Roosevelt-Churchill announcement for more relief to Italy and more latitude for the new Bonomi government.

When President Roosevelt sat down to confer with Winston Churchill in Quebec, he had before him a very important plan for revamping the Italian economic and political system worked out by Brigadier General William O'Dwyer, former district attorney in Brooklyn and former candidate for mayor of New York. The plan, briefly summarized, provided for: Removal of Allied military control in Rome.

Establishment of a definite food program for the Italian people in the major cities.

Increase of transportation, both rail and automobile.

Increase of electric power facilities.

Return of all prisoners to Italy who are non-Fascist and willing to cooperate with the present Bonomi government. Especially it was proposed that Italian prisoners be returned from France, where they are more harshly treated than in the United States or England.

Before going to Quebec, President Roosevelt also had a very important session with General O'Dwyer, at which O'Dwyer told FDR that it required 1,400 tons of food daily to feed Rome, instead of which people of Rome were getting only 1,100 tons a day. General O'Dwyer illustrated Italian starvation by citing the number of children who died in Rome in July, namely 435 out of every 1,000. In normal peace times the infant death rate is nearer 100 in 1,000. Merely by increasing the amount of milk available in Rome during the month of August, O'Dwyer said, the death rate had dropped to nearer 30 out of every 1,000.

O'Dwyer also told how the villas of counts and countesses outside of Rome featured ornate, many coursed dinners, while the poor people of Rome ate almost nothing. Just before General O'Dwyer left Italy for Washington, he wrote a letter to Premier Bonomi, stating that unless more food was provided for Italy in the near future, there would be serious riots and bloodshed by January. He also told Roosevelt about the Allied brasshats in Italy who took no interest in Italian civilian problems and who probably would not do so until starvation and food riots hit them in the face.

This report was placed before Churchill in Quebec, where he put immediate thumbs down on the plan to remove Allied military control in Rome. He cited the riots over the assistant prison warden in Rome and said that Italy wasn't anywhere near ready to govern itself. However, he fully agreed with FDR regarding a stabilized food program for Italy and for gradual resumption of normal relations.

Note — U. S. observers have sent to Washington the amazing report that when Churchill arrived in Rome on his recent visit, the first man he talked to was Marshal Badoglio. Although Badoglio is no longer in power, Churchill conferred with him before he met Premier Bonomi. Badoglio, of course, was Churchill's own personal choice to head the government in Rome.

Joe Martin Busy
Republicans aren't saying much about it, but it is extremely noticeable that Joseph W. Martin, house minority leader, is not playing a prominent role in the national campaign. Inside fact is that he is too busy trying to get reelected in his own district, where he is opposed by Edmund P. Talbot, former mayor of Fall River and a former sheriff of the county. Talbot is of French-Canadian extraction, a Catholic and a Spanish war veteran.

In the 1942 election, the largest city in this congressional district, Fall River, voted as follows: Joe Martin received 11,765 votes, while the Democratic nominee, Lomax, received 17,334 votes. Therefore, while the whole district went Republican by 17,000, Fall River went Democratic by almost 6,000. Already there is a 41,000 registration in a city which cast only about 30,000 votes in 1942.

Outside of Fall River, if Martin can be kept down to a 12,000 lead, Democrats figure he can be licked. Martin led outside Fall River in 1942 by 22,000. But in many of the small towns there are powerful groups of Yankee liberal intellectuals who are close to the Willkie line. Talbot has made contact with the United Nations groups in this area and they are working enthusiastically for him.

Bigger and Better Bomb
Army officials haven't revealed whether they plan to use it yet, but they've already perfected and tested a new flying bomb, bigger and faster than anything the Nazis have ever seen.

Fact is, the new rebomb was tested in the middlewest last month, and whizzed through the air at more than 100 miles an hour during performance checks. The bomb has been developed with the aid of the Ford Motor company. Whether it is in production or not is a military secret.

Actually, during the last war, Ford produced a heavy robot bomb of his own, but couldn't find out how it would perform under front line conditions. It has never been revealed, but in the American part of the First World War one ro-

bomb was partially inspired by General "Hap" Arnold, now commander of the U. S. Army Air Corps.

Arnold brought his idea to the Ford company, asked Ford to work out a motor to go with it. Ford rolled up his sleeves, soon produced a two-cylinder engine that worked well. Probably if the first war had lasted another six months the rebomb would have made its appearance 24 years earlier.

Note — The original American rebomb is still preserved in the Ford laboratories in Michigan.

Outmoded Sailors' Uniform
Enlisted men in the navy continue to hope and pray that Admiral Ernie King will take time to consider their outmoded 20-year-old uniform.

Once the admiral — recently returned from his London tailor — went over the head of the late Secretary Knox and got the White House okay for the new gray-blue summer uniform which most naval officers so despise. So now the enlisted men, who have to wear the tight-fitting pants with 13 buttons and the blouses that go over the head, are wondering if Admiral King couldn't devote a little thought to their clothes problems.

The Merchant Marine some time ago realized that the sailors' uniform, designed by the British navy during the days of the clipper and frigate, was long out of date. Also the Coast Guard permits its petty officers to wear an adaptation of the chief petty officers' uniform. But the lowly sailor in the navy must continue wearing flapping pants and the broad collar that blows up around his ears in a high gale.

Older men in the Seabees, who enlisted as professional experts, are especially resentful at having to wear a uniform which they feel makes them look like schoolboys.

The "heavy foot" has been replaced by great headwork in Wartime driving. And that's a great hint for the future.

"Scorchers" are rare. The cops have to look thrice—and even then what they mostly see is skilled, ticket-proof driving that earns their respect. For as experts they know that's really how to get there, without taking it out on your car. You too, knew it all the time, but war "alerted" you to it—and you're staying alert. Now be still more alert to the perils of engine acids. Those can be curbed by one brainy move...by having your engine OIL-PLATED.

Changing to Conoco Nth motor oil—at popular price—is all it takes to own an OIL-PLATED engine. One special characteristic of OIL-PLATING is the acid-resistance that costly pioneer research developed. This acid-fighter—OIL-PLATING—becomes surfaced to your engine's fine inner finish as closely as chromium plating could be. That's made possible by Conoco Nth oil's special ingredient whose magnet-like nature holds OIL-PLATING direct to metals—square in the path of the acids always created by every engine explosion. Contact between acids and metals is checked. Then so is corrosion.

And now here looms the season of lowest engine temperatures—unable to clear out acids sufficiently. So they could now do their worst—but not with your engine safely OIL-PLATED by Conoco Nth motor oil. Change at Your Mileage Merchant's Conoco station. Today. Continental Oil Co.
